

2022 March to May Training

WHOLALITY: THE MISSING LINK TO LOVING YOURSELF AND LIFE

This three months immersion into 'Wholality' is an insight based course where participants experientially uncover a whole-ness from within that dissolves self judgement and indeed gives a completely different perspective on the 'self'!

It takes stuff off our minds to experience a more consistent and more expanded inner-silence that has very practical implications for our day to day life. All successful completions of this three month course will receive an accredited certification of attendance with Continuing Professional Development.

MARCH-MODULE 1: The Nature of Consciousness

Weekend
March 5th and 6th:

This month takes us back home towards feeling WHOLE, worthy and interconnected within a larger universal mind. It also brings unity to a number of seemingly separate modalities/understandings back to one simple and unified whole.

Webinar
March 15th

This webinar will be a time of Q and A from the weekend and deep dive into understanding our 'WHOLE' nature

Bi- weekly videos
March 14th and 28th

Weekly videos delivered to your inbox that reveal the single nature of life and offers contemplations to help you experientially understand the nature of consciousness

APRIL- MODULE 2: The Nature of Experience

Weekend
April 2nd and 3rd

This month we 'immerse' and uncover how we experience life via our perception (thought in the moment) and we will also expand traditional explanations towards how thought is a vibration and how this expands our perception of 'reality'

Webinar
April 12th

This webinar will be a time of Q and A from the weekend and deep dive into understanding the 100% nature of an expanded perception of life.

Bi-weekly videos
11th and 25th April

Weekly videos delivered to your inbox that reveal 'how' we experience and live life more in touch with our intuition and wisdom in the moment.

The CPD Standards Office
CPD PROVIDER: 50239
2020-2022
www.cpdstandards.com

This three month course is accredited with Continuing Professional Development (CPD) which benefits employees and employers keep their qualifications up to date and aids in improved productivity at work.

MAY- MODULE 3: The Nature of Creation

Weekend

May 7th and 8th

This month we 'immerse' into naturally 'seeing through' thought creations (beliefs) that may hinder us and explains how our vibration interacts within a universal field and the implications of this to finally stop surviving in life to fully thriving.

Webinar

May 17th

This webinar will be a time of Q and A from the weekend and deep dive into understanding our innate capacity to create a life in resonance with our dreams

Bi-weekly videos

9th and 23rd of May

Weekly videos delivered to your inbox that reveal the nature of creation with fresh insights and contemplations.

We are international speakers and authors of 'Wholality: The missing link to love'. This immersive course is created from the insights and content within the book for attendees to 'experience' a deeper essence behind life and a wholeness within. We look forward to to you joining us
